REPUBLIC SPECIAL.
Guthrie, Ok., Oct. 1.—Bishop J. M. Walden of Cincinnati addressed the annual conference of the Methodist Episcopal Church, South, here to-night on "Africa and Its Evangelization." The address closed the exercises of the third day's session of the conference.

At the morning session to-day the annual reports of Presiding Elders C. S. Stokewell, Perry District; H. A. Doty, Guthrie District; and J. M. Laird, South McAlester District, were read. The reports of the several districts show that forty-five transfers of ministers were made during the year.

The conference sermon by the Reverend J. E. Burton of Shawnee was dispensed with, the Annuity Association holding its meeting at the time intended for the sermon. H. H. Miller was elected assistant secretary to the Reverend J. E. Burt, railroad secretary.

The Reverend J. M. Jackson of Guthrie, superintendent of the Society for the Friendless in Oklahoma, addressed the conference to-day, his subject being, "Reforming Prisoners."

The programme of Friday's exercises includes addresses by Doctor Julia A. Donahue, a returned missionary of China, at the anniversary of the Woman's Foreign Missionary Society, and an address by Doctor J. M. King of Philadelphia, corresponding secretary of the Church Extension Society.

MRS. ANNA W. RAPPLEY IS CHOSEN PRESIDENT.

St. Louis Woman Elected to Head of Missouri Division of the Daughters of the Confederacy.

REPUBLIC SPECIAL.
Lexington, Mo., Oct. 1.—The annual meeting of the Missouri division, United Daughters of the Confederacy, adjourned this afternoon after a two days' session. The following telegram was sent Mrs. Jefferson Davis:

"The Missouri division, United Daughters of the Confederacy, in convention assembled, extend to you our love and sympathy and good wishes for your speedy recovery to health."

The annual reports were quite encouraging. A motion was adopted asking of Thomas Nelson Page that he write a history of the South.

Marshall was selected as the place for next year's meeting.

Mrs. Anna Washington Rappley of St. Louis was elected president. Other officers were chosen as follows: Mrs. J. M. Phillips, Kansas City, first vice president; Mrs. Ryland Todhunter, Lexington, second vice president; Miss Kathryn Nickerson, Warrensburg, corresponding secretary; Mrs. Frank Galentine, St. Louis, recording secretary; Mrs. Hyde, Lexington, treasurer; Mrs. Blake Woodson, Kansas City, historian.

The report of the committee on the Confederate Home Cemetery monument showed that \$1,022.50 was on hand. The intention is to raise \$10,000.

MASSACHUSETTS DEMOCRATS CHEER FOR GENERAL MILES.

Nominate State Ticket by Acclamation and Strongly Denounce Policy of Republicans.

Boston, Oct. 1.—In a most harmonious State Convention, and with an enthusiasm greater than has been displayed in a gathering of the party in Massachusetts in many years, the Democrats of this State to-day nominated their leaders for the campaign of 1904.

The sentiment of the convention, sounded both in the address of the permanent chairman and in the platform adopted, seemed to be a general condemnation of the policy of the opposite party, with reference both to national and State administration.

The candidates, all of whom were nominated by acclamation, follow:

For Governor—William A. Gaston of Boston.

For Lieutenant Governor—Richard Olney, second, of Leicester.

For Secretary of State—Ezekiel M. Ezekiel of Springfield.

For Treasurer—Thomas C. Thatcher of Yarmouth.

For Auditor—Francis Letrault of Southbridge.

For Attorney General—John J. Flaherty of Gloucester.

James H. Bartlett of Boston was permanent chairman. Mr. Bartlett, in his speech referred to General Nelson A. Miles as "the foremost American soldier living to-day, dear to the hearts of our people, idolized by his old comrades."

This was received with applause and cheers, which compelled the speaker to pause, and when he resumed the audience remained quiet for some time.

The words "has been disciplined, snubbed, belittled and insulted by a crowd of fools, soldiers and sportsmen surrounding the technical head of the army, who was a chance participant in one small fight, when it burst into another tremendous multitude of hand-clapping and shouts."

MAY NOT TAKE A RECESS.

House Committee Report on Ward Changes Delayed.

At the meeting yesterday of the House Committee on Redistricting the Ward, Chairman McCarthy stated that in all probability no report would be ready for a couple of weeks.

The plans mapped out to have the House committee submit its ideas to the Council committee, then make a joint report to the Municipal Assembly.

Should the Council concur in the resolution of the House to adjourn from October 3 to 27, there will be nothing done until the first of next month.

The general opinion seems to be that the Council will not concur in the joint resolution to adjourn. House members say that besides the minority committee of both branches being away at that time, another reason for adjourning is to give to the Council a report on the matter.

The present session of the Assembly will be the last of the year in which the number of bills passed and as these all have to be properly engrossed, it means a great deal of work on the part of the secretaries.

Accompanying the letter was a picture purporting to be of the writer in the matting with a rope in one hand and a black cap in the other.

CONVERSION SYNDICATE'S EXISTENCE IS EXTENDED.

Purpose Is to Bring About Change of 7 Per Cent Steel Stocks Into 5-Per-Cent Bonds.

New York, Oct. 1.—The syndicate organized to convert \$300,000,000 of United States Steel 7 per cent preferred stock into 5 per cent sinking fund bonds expired to-day, according to the original terms, but by consent of a great majority of its members has been extended till July 1, 1904.

Withdrawals from the syndicate, according to a leading member of the steel corporation, have been very small.

The terms of the agreement between the steel corporation and the syndicate call for a distribution of between \$5,000,000 and \$6,000,000 on bonds to members of the syndicate. This distribution was made in large part to-day. It is probable that some statement concerning the proportion of withdrawals will be made in a few days.

The sum of \$5,000,000 was paid to J. P. Morgan & Co. to-day, as syndicate managers. This represents a call for 25 per cent of the \$20,000,000 cash to be paid for a like sum of bonds taken by the syndicate at par.

ROBBED AND LEFT ON TRACK.

Ranch Owner Struck by Train and Mutilated.

Naco, Ariz., Oct. 1.—J. W. Dooley, a ranch owner, was knocked on the head and robbed by highwaymen last night.

The robbers then carried his body to the railroad tracks near by, where they left him in an unconscious condition, expecting him to be killed and his remains so mutilated as to conceal their crime.

Dooley was struck by a train and dragged a hundred feet, but miraculously escaped instant death. He was picked up by the train crew, and taken to a hospital at El Paso. One arm and a leg had to be amputated, and he is injured internally.

At last accounts he was reported to be dying, but had recovered consciousness long enough to tell his story.
